A vibrant, cartoon-style illustration of a savanna landscape. In the center, the text "Good bye class!" is written in a bold, black, sans-serif font. The scene is framed by two large, leafy green trees. In the foreground, a row of seven animals stands on a patch of green grass: a giraffe with brown spots on its yellow body, a lion with a large brown mane, a small brown squirrel, a brown chipmunk, a purple hippopotamus, and a large brown bear. Above the text, a colorful parrot with red, yellow, and blue feathers sits on a curved brown branch. To the right, a brown monkey hangs upside down from a horizontal brown branch. The background is a plain white color, making the colorful elements stand out.
